SE 216 – SOFTWARE PROJECT MANAGEMENT  
GRAPHICAL USER INTERFACES

The image shows a mobile application interface for making a reservation. The screen has an orange header with the title "RESERVATION" and a back arrow. Below the header, there are three main sections: "Reservation Date:" with a date input field showing "DD \ MM \ YYYY" and a calendar icon; "Reservation Hour:" with two dropdown menus for "HOUR" and "MINUTE" separated by a colon; and "Table:" with a dropdown menu showing a list of numbers from 00 to 14 and an option to "Choose a table". At the bottom of the form area, there are two buttons: "Live Support" and "Give Feedback". The very bottom of the screen features a navigation bar with three icons: a house, a person, and a gear.

HOUR SELECTION

SE 216 – SOFTWARE PROJECT MANAGEMENT  
GRAPHICAL USER INTERFACES

The image shows a mobile application interface for making a reservation. The screen has an orange header with the title "RESERVATION" and a back arrow. The status bar at the top shows the time as 09:52 AM and signal indicators. The main content area is white and contains three form fields: "Reservation Date:" with a text input showing "DD \ MM \ YYYY" and a calendar icon; "Reservation Hour:" with two dropdown menus for "HOUR" and "MINUTE", where the "MINUTE" menu is open showing options from 00 to 50 in increments of 10; and "Table Situations:" with a text input showing "Choose a table". At the bottom of the form area are two buttons: "Live Support" and "Give Feedback". The bottom of the screen features an orange navigation bar with three icons: a house, a person, and a gear.
